SUPPORTING ASSEMBLY BILL A-1109 WHICH SEEKS TO IMPLEMENT STRICTER RULES AND REGULATIONS FOR ORGANIZATIONS THAT HOUSE AND CARE FOR INDIVIDUALS WITH DEVELOPMENTAL DISABILITIES

WHEREAS, the implementation of Assembly Bill A-1109 (also called “Stephen Komninos’ Law”) would improve protections for individuals with developmental disabilities by providing increased transparency of investigations conducted in connection with an allegation of abuse, neglect or exploitation of individuals with developmental disabilities; and

WHEREAS, Assembly Bill A-1109 was created to honor the memory of Stephen Komninos, an individual with developmental disabilities who died at the age of 22 while under the care of a private licensed facility for persons with developmental disabilities in Haddonfield, New Jersey; and

WHEREAS, the adoption of Assembly Bill A-1109 provides for six bi-monthly unannounced site visits to be conducted at any facility that houses individuals with developmental disabilities, including but not limited to any public or private agency, organization, or institution providing care to the developmentally disabled; and

WHEREAS, upon adoption of Assembly Bill A-1109, the Commission of Human Services or the commissioner's designee is required to designate members of the public to serve as advocates for individuals with developmental disabilities and staff members of the public to serve as advocates for individuals with developmental disabilities, and staff members from the Special Response Unit in the Department of Human Services to participate in the bi-monthly unannounced visits. A member of a law enforcement agency would also participate in the visits, which would be conducted to determine if the patients/residents of said organization are being subject to abuse, neglect or exploitation by a caregiver; and

WHEREAS, this Bill also requires the Commissioner or his/her designee to provide written notification to the guardian or an authorized family member of an individual with a developmental disability receiving services from the Division of Developmental Disabilities, of any injury to the individual with a development disability, as soon as possible, but no later than one hour after the occurrence of the injury; and

WHEREAS, a State developmental center and any private licensed facility for individuals with developmental disabilities are to bi-annually host an event in order to provide an opportunity for parents and guardians to share experiences about their family members and wards; and

WHEREAS, Assembly Bill A-1109 also amends Public Law 2010, c.5 (C.30:6D-73, et seq.) which established the Central Registry of Offenders Against Individuals with Developmental Disabilities (Central Registry) in DHS to prevent those caregivers who are identified as offenders against individuals with developmental disabilities from working with such individuals in the future; and

WHEREAS, this Bill further amends the current law to change from a disorderly persons offense to a fourth degree crime the failure of a case manager or supervisor to report an incident and makes it a third degree, rather than a fourth degree crime, if the unreported incident results in death; and

WHEREAS, the confidentiality provisions of the Central Registry law would further be amended to permit records and reports of any investigation to be provided to a guardian or other person responsible for the welfare of the individual with a developmental disability; and

WHEREAS, the adoption of Assembly Bill A-1109 is in the best interests of the Borough of Roselle Park, its residents and their families.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and Council of the Borough of Roselle Park that the Borough supports the adoption of A-1109, which would implement stricter rules and regulations for organizations that house and care for individuals with developmental disabilities; and
